

2 SIZES AVAILABLE:

PWFC45P - 18" Wall Mounted Fan

PWFC50P - 20" Wall Mounted Fan

ABOUT THE FAN...

A high quality wall mounted semi commercial cooling fan available in either 18" or 20" sizes. A high airflow pull cord operated fan with three selectable speeds. The fan has metal blades and metal cage and is designed for semi commercial environments such as a warehouse, gym etc. Finally the fan can be tilted vertically as required and can oscillate from side to side to cover a larger area or stay in a fixed position.
